### HOW TO MEASURE FOR A FABULOUS FIT

For the best fit we recommend you take your body measurements prior to ordering.

**BUST:** Measure around the fullest part of your breasts while wearing your usual undergarments.

**WAIST:** Measure your natural waistline, at the smallest part.

**HIPS:** with your feet together, measure below your waistline at the fullest part.

**INSEAM:** Measure inside of leg from crotch to the bottom of the anklebone.

**BLOUSE AND DRESS LENGTH:** Measure from highest shoulder point near neck, down backside to hem edge of garment.

### PANTS THAT FIT PERFECTLY

Order **PETITE** if you are 5'4" or shorter or have an inseam of 27" or less.

Order **REGULAR** if you are 5'5"-5'7" or you have an inseam of 29" to 30".

Order **LONG** if you are 5'8" or you have an inseam of 32" to 33".
